General Session

We'll conclude the General Session with the annual viewing of the TV Commercial entries in the Wave Review Award competition. Once again, the field has been narrowed down by a panel of judges to the top 3 vote-getters in each attendance category. However, the ultimate choice for Best TV Commercial are still in the hands of you—the attendees! Take a moment to view parks' most creative efforts and vote for your favorite. Winners will be posted in the WWA Registration Area later that day.
